COSENTINO®

New Zoe TOP Sink by Silestone®

The new Zoe TOP sink model by Silestone® is a refined piece with a circular geometry, designed with Integrity technology to stand out in the bathroom and become the protagonist of an area of calm and relaxation. This sink becomes the central axis of the space's design concept, offering a unique experience.

In addition, the Zoe TOP model is customizable thanks to optional details and finishes, allowing you to find the perfect variant to complement the bathroom design.

Sink Silestone® Zoe TOP Bao + Basa Round, Blanco Zeus with Matte Finishing
Countertop and wall cladding Silestone® Eclectic Pearl

Thanks to optional details and finishes, **you can customize the Zoe TOP sink model** until you find the perfect variant for the desired bathroom design concept.

Zoe TOP

A stylish and minimalist sink with organic lines, which instantly enhances the concept of bathroom design.

Zoe TOP + Basa

Customized Zoe TOP model with a base of straight lines at just the right height to subtly and proportionally lift the sink on the bathroom counter.

Zoe TOP Bao

Variant with a rounded finish that results in a soft and harmonious touch for the sink and the bathroom as a whole.

Zoe TOP Bao + Basa Round

Elevate this variant of the model with a base with rounded edges, to give a touch even more aspirational to the Zoe TOP Bao sink.

Characteristics

Molded sink with Integrity technology, without joints and with curved connections between walls.
